

After service Sunday Evening a meet was called by the Rector and the years report read. The Rector reminded the congregation that his salary was for below the mark but he hoped that this new year would be better for them and the Church. The also named the persons whom had given gifts to the church both in and out of the island I would therefore beg all future Rector to notice the name and persons whom of there own kindness gave the church and may God bless them This is my prayer.
