

MISSIONARY DISTRICT OF PORTO RICO
OFFICE OF THE BISHOP

P. O. BOX 1115

SAN JUAN, P. R.

281, 4th Ave. New York
April 4th 1928.

Dear Bishop:

Just a note to say I have seen Mr. Venturi
and he impresses me very well, and is a devoted
and sacrificing member of the Church. I do hope
his appointment will go through satisfactorily,
and that he can go down the first part of May.

Hope everything is going nicely with you.
I am terribly busy here and have about decided
that I will not be able to sail before the first
part of May. Give my regards to all at
the mission and hoping you have good
news from Mrs. Ferrando and Edith,
believe me always, Very sincerely
Chas B. Colver.
