

June 2, 1924.

Dear Bishop:

am enclosing Mr Locke's check for \$33.⁰⁰ a part payment on the refrigerator with mine for \$30.⁰⁰ so we can square up that item of what is owed to you. am very much humiliated that I was not able to pay it all before you left but found myself in bad financial straits. Hope to be able to settle it all soon.

am looking forward to seeing you in New York but want to turn these checks over to Mr. Sam to deliver to you.

Hoping you found Edith quite well and with best wishes to all of you, always

Very sincerely and affectionately,
Chas. B. Columbus.
