Rt. Rev. Manuel Ferrando,  
Box 776,  
Ponce, P. R.

Dear Bishop Ferrando:

Am very sorry that I won't be able to visit Ponce this week, but have been in bed ever since my return from the trip with Mrs. Wheaton on Thursday night. Have a kind of influenza and sinus trouble, and the doctor orders that I cancel all engagements for a week, at least.

Can you arrange to be at the Drostes, at El Coto de Manati, to take the confirmation there next Sunday, the 18th? I shall leave it to you whether you pack up your things, and be ready to sail on Thursday, before coming to Manati or go back afterwards and do your packing.

I shall want to see you, to arrange all details for Quebrada Limon during the summer, either before or after you go to Manati, according to your convenience; it makes no difference to me.

Hoping that Edith is getting along nicely, I am, with all good wishes and ~~sooner than ever~~ warm regards,

Very sincerely yours,

CBC/MAW
