

May 4<sup>th</sup> 1923.

My dear Bishop:

I have a telephone message this morning from the Porto Rico Line saying they have been able to reserve for you on the S.S. Postorio, sailing May 9<sup>th</sup> a berth at the rate of \$80.<sup>00</sup> instead of the one at \$105.<sup>00</sup> as I wrote you the other day. Am sending you this information at once thinking it might possibly change your mind about the sailing.

Hope you are feeling well and that everything is going nicely at Quebrada Lincón.

With all best wishes and hoping to see you soon, Love,

Very faithfully & sincerely,

Chas B. Brewer.

P.S. I have planned tentatively to leave here on May 14 for the Dominican Republic for a visitation. C.B.C.
