

Concerning the New Church of St. John the Baptist

A STATEMENT OF COST OF CONSTRUCTION — FUNDS ON HAND — NEEDS FOR COMPLETION AND FURNISHING IN CONNECTION WITH LOCAL DRIVE TO RAISE \$5,000

THE SITUATION

The foundations of the Church have been completed and paid for.

The contract has been let for the erection of the building.

The work of construction has begun.

But—

All Funds necessary are not at hand, as statement below will show.

The additional funds must be raised immediately.

A considerable amount will also be needed to furnish the new Church, install the organ, etc.

Now—

As no concentrated effort has as yet been made to secure local support;

As we now know exactly where we stand and what is definitely needed; and

As all of our people are anxious to take some part in the enterprise,

The Vestry of the Church has voted to raise \$5,000 by local subscription from the members of the congregation and its friends in San Juan and vicinity for **COMPLETING AND FURNISHING THE NEW CHURCH.**

The entire amount needed is for the Church alone, not for any other building on the promises.

We are confident that this amount is going to be raised.

Because—

We know you will be proud of the Church and of your part in building it.
